Individual Membership Renewal Form

I wish to renew my individual membership of the Australian Speleological Federation Inc.

Alternatively, you can maintain your ASF membership by applying to join an ASF Member club. The advantages of joining ASF in this way far outweigh joining as an Individual member if you want to participate in caving activities. It is within the clubs that activities are arranged, opportunities for training and the sharing of knowledge occurs. A current list of ASF Member Caving Clubs can be found at www.caves.org.au

If you still wish to renew your individual membership please fill out the following...
